Stan -

I have spent all day going over the information and trying to summarize it in a cover letter. There are over 500 pages of supporting spreadsheets and I want to be SURE this time that all the number tie in together. I have been working with both Jeff and Darin throughout the day but there is one piece of information that, quite frankly, only Tom Rasp of APM can answer and he's on vacation. BUT, I'm trying to reach him anyway.

Bottom line, after all we've been through, I'd rather be late than wrong. Also, to date, it appears that FEP has undercharged the government by approximately \$600,000 for the years 1996, 1997, 1999-2004, when all the rebates and administrative expenses are calculated and allocated to FEP/HMP based on the accounting principles.

I will be out tomorrow; it couldn't be cancelled and continue to hope that I can get this to you as soon as possible.
